

Roberto Monplaisir

325 Lafayette Avenue, Apt 3K

Brooklyn, NY 11238

Tel: 917-383-6482 Email: castedcrown84@gmail.com

To obtain a position in the electronics engineering or electrical installation industry.

EDUCATION

TCI College of Technology, New York, NY Associate's Degree of Applied Science

In Electronics Engineering 2013-2016

Cooperative Tech, 2002-2003

successfully received a certificate in electrical installation

RELEVANT COURSES

- Circuit Analysis I/II, Circuit Analysis Lab I/II, Electronics I/II, Digital Circuits and Systems, Introduction to Programming, VLSI

SPECIALIZED SKILLS

- AC/DC Circuit Analysis
- Troubleshoot Analog and Digital Circuits
- Knowledge of test instruments (multi-meters, oscilloscopes, and function generators) • PCB Layout Design
- Soldering
- Familiarity constructing circuits using Multisim and Ultiboard

WORK EXPERIENCE

Maintenance Worker, Benjamin Cardozo School of Law, New York, NY 2005-2015

- Operated various mechanized cleaning equipment, such as high flow extractors used for shampooing carpets, polishers
- Maintained facility in a sanitary and infection-free condition through washing, cleaning and replacement of equipment

- Handled various cleaning solvents, chemicals and complied with all regulations such as OSHA, EPA and State Health Dep
- Reported any needed repairs immediately to supervisor (such as leaky faucets or toilets, loose tile, broken window pan
- Stripped and re-coated all floor areas when necessary and as scheduled.

L&L ELECTRIC Brooklyn, NY 2004-2005

- Assisted in installing electrical systems
- Installed lighting, electrical outlets, and circuit breakers
- Thread conduit ends and connect couplings and conduit using wrench

SKILLS

- Knowledge of Microsoft Word, PowerPoint, Access and Multi-sims 13.0
- Knowledge of Capacitors, Resistors Inductors, Transistors, Diodes and Operational Amplifier • Knowledge of Logic Gates
